## EDUCATION

### Bachelor of Technology CSE - 71% Technological Institute of Textile & Sciences

10/2020 - Present

Bhiwani, Haryana

### Senior Secondary School Certificate - 76.2%

Pathania Public School

04/2019 - 04/2020

Rohtak, Haryana

## PERSONAL PROJECTS

### ItsABlog Website (03/2023 - 04/2023)

- Developed an e-blogging website for a Customized blogging, with enabling users to blog based on their interests.
- Utilized ReactJs for Frontend and NodeJs for Backend API.
- Implemented various features to provide users with an effective User experience.
- Revamped web development processes by implementing cutting-edge programming techniques, resulting in a 40% increase in website performance.

### Live Auctions (09/2023 - Present)

- Conceptualized and developed the platform as a web based auction application, allows users to list products for auction and engage with potential buyers in real-time.
- Leveraging ReactJs for the frontend to ensure a dynamic and interactive user interface. For the backend, NodeJs is employed to handle real-time bidding and auction processes, creating a seamless and responsive user experience.
- Regularly maintaining and expanding the functionality of the platform, adding features like real-time notifications, advanced search capabilities, and user ratings to foster a thriving auction community.

## INTERNSHIP

### Web Development Intern CodeClause

07/2023 - 08/2023

Achievements/Tasks

- Developed and implemented responsive website designs using HTML, CSS, and JavaScript, resulting in a visually appealing and user-friendly interface.
- Managed projects with MERN Stack and made it authenticated for the future viewership.
- Assigned with various tasks for completing in given time.

## INTERPERSONAL SKILLS

Situation Handling Ability

Team Work

Leadership

Team Management

## ACHIEVEMENTS

Participated in HackUniv @Repository Technologies

Completed 130+ LeetCode Questions

## TECHNICAL STACK

HTML&CSS, Javascript, Typescript, ReactJs, NextJs, C#, JQuery

IDE: VS Code, Visual Studio

Additional Skills: Git & Github, Postman

Database: MySQL, MongoDB, Firebase

## CERTIFICATIONS

### React Training (06/2023 - 07/2023)

Worked on real world projects and assignments. To obtain a thorough understanding of ReactJs, constructed a variety of web applications.

### Complete C# Programming Course – Beginner to Expert (01/2023 - 03/2023)

Explores the fundamentals of ASP.NET-based web development. To gain knowledge in dynamic functionalities, and server-side processing.

### Figma UI UX Design Essentials (08/2022 - 10/2022)

Developed a thorough understanding of the ideas and principles that guide the design of user interfaces (UI) and user experiences (UX).
